BY THE COMMISSION:

On May 31, 2002, the Commission entered an Order in the above-styled cause which was subsequently amended by an Errata dated June 20, 2002. The Commission's May 31, 2002 Order was further amended by a Second Errata dated July 9, 2002. The Commission's May 31, 2002 Order, as amended by the Erratas of June 20, 2002 and July 9, 2002, is hereby further amended by the Errata noted below:

Amend pages 16-31 of Attachment A by modifying the Recurring Charge Column for Elements A.18 – Multiplexers and A.16 – High Capacity Unbundled Local Loop Elements as they appear in the Unbundled Loop Combinations offerings at Section “P” of Attachment A.

The amendment described herein corrects previous inaccuracies with respect to the recurring prices for elements A.18 – Multiplexers and A.16 – High Capacity Unbundled Local Loops when those elements are part of the combinations offered in Section “P” of Attachment A. The Commission's May 31, 2002 Order (as subsequently
